

HSEM F434 Consequence Assessment

This rubric will assist you in understanding what is expected for this part of the decision brief series.

	Exceeds Expectations <i>25 Points</i>	Meets Expectations <i>17 Points</i>	Some Components Present, but not all <i>8 Points</i>	Not Completed <i>0 Points</i>
Your Target Data	All elements of the table are completed Research is current and applicable - extrapolation is completed when direct data cannot be found Data is relevant to the target and highly descriptive of the target and associated equipment	All elements of the table are completed Research is applicable but scant Data is relevant to the target and no extrapolation to similar types of targets have been completed	Some elements of the table are complete, but insufficient to use for the next step in the consequence assessment	Not completed or instructor is returning the full assignment for another reason (e.g., assignment was completed out of order)
Your Consequence Assessment	Data is relevant to the target Research is used from at least 10 different resources and reflects a diverse selection of sources There is a number in each of the "why" cells The consequence rating aligns with the data provided in the "why" cells	All elements of the table are completed Research is used from 5 to 8 resources and reflects a diverse number of resources Data is consistently relevant to the area in which the target is found The consequence rating does not align with the table	Research is used from 1 to 4 resources or the student references only personal knowledge Data is inconsistently relevant or not relevant to the area in which the target is found The consequence rating does not align with the table	Not completed or instructor is returning the full assignment for another reason
Wrap Up Questions	Responses fully address the question and are reflective in nature	Responses partially address the questions or may lack substantive reflection	Responses fail to address the questions	Not completed or instructor is returning the full assignment for another reason

	Exceeds Expectations <i>25 Points</i>	Meets Expectations <i>17 Points</i>	Some Components Present, but not all <i>8 Points</i>	Not Completed <i>0 Points</i>
Grammar/Spelling/Formatting/Timeliness	Perfect grammar/spelling Appropriate template is used Appropriate file naming syntax is used Hazards and threats are listed in the same order as submitted in previous assignments Submitted by due date	1-2 errors in grammar/spelling Appropriate template not used Appropriate file naming syntax not used Hazards and threats are listed in a different order than submitted in previous assignments unless the student is submitting a change and explains that change appropriately Not submitted by due date and no heads up provided	3 to 5 errors in grammar/spelling Appropriate template not used Appropriate file naming syntax not used Hazards and threats are different than submitted in previous assignments and no explanation is offered. Not submitted by due date and no heads up provided	>5 errors in grammar/ spelling Appropriate template not used Appropriate file naming syntax not used Not submitted by due date and no heads up provided
